Honorable Mention

Interests

Programming
Develop projects, putting into practice the knowledge acquired in a self-taught way, managing to add to my companions as much as possible. In addition, having contact with more experienced people to help me have a more precise direction in my development.

Languages

English
8 years of english course and 7 times in USA

Portuguese

Organisations

Casa de Apoio à Criança com Câncer São Vicente de Paulo
I am a part of a small group that collects food and toys for children with cancer at "Casa de Apoio à Criança com Câncer São Vicente de Paulo".
